## SS & Aluminum shaft applicator

NO.	Code	Spec	Description	Packing	Applications/Characteristics
1	GW-1265F	6"	Plastic/wire handle swab with a polyester tip plus one more polyester swab,sterile	1/100/10 (10 boxes of 100)	The set includes two diagnostic swabs, a specialized plastic / aluminum wire handle swab with a polyester tip that is scored for ease of testing, and a scored polyester throat swab. Save time and money, and ensure the best results for your patients by having both swabs convenient in one sterile package. Clinical studies have shown that taking cultures from both the nasal cavity and throat yield a higher test accuracy.
